

Medal for Sanjivani in the World University Games

Sanjivani has made the country proud by winning the first medal for India in the World University Games. She won silver medal in the 10,000 mts event in the world University Games held at Tapei on 23rd August 2017.

Sanjivani who was a medalist at the World School Olympiad also won a bronze in the 5000 metres at the Asian Athletics Championships in Bhubaneswar in July.
