Action Taken Report On Parent's Feedback on Curriculum Academic Year: 2022-2023

Feedback from Parent seems to be neutral. Most of the Parents are satisfied with the current syllabus however the college is following the university's revision of the syllabus. The teachers from the college work on the various BOS Committees of the university. These teachers convey the concerns of the Parents on the syllabus to the BOS. The college has been trying to introduce new professional skill based courses that will meet the requirements of human resource from local industry.
