### 7.1.2 - Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

#### Percentage of power requirement of the University met by the renewable energy sources

At Bhonsala Military College, environmental consciousness and sustainability are woven into the very fabric of our institutions identity. Our commitment to these principles extends beyond mere rhetoric it is a steadfast dedication that permeates every aspect of campus life and operations.

**Campus Practices:** We recognize that our actions have a direct impact on the environment. As a result, weve implemented a range of eco-friendly practices to minimize our ecological footprint. From water and energy conservation initiatives to waste reduction and recycling programs, we take a comprehensive approach to sustainable resource management.

**Green Infrastructure:** Our campus is a living testament to our commitment. Lush gardens, tree-lined pathways, and green spaces reflect our belief in harmonious coexistence with nature. We have preserved and nurtured naturally grown forests, serving as a haven for biodiversity and an educational resource for students.

**Renewable Energy:** Harnessing the power of renewable energy sources is a priority for us. Solar panels dot our campus, generating clean energy and reducing our reliance on conventional power sources. This move not only contributes to a cleaner environment but also serves as an educational tool for students to understand the importance of sustainable energy solutions.

**Education and Awareness:** We believe that sustainable practices must be instilled in the hearts and minds of our students. Our curriculum integrates environmental education, fostering a generation of responsible citizens who understand the pressing need for environmental stewardship. Awareness campaigns, workshops, and seminars further educate our community about pressing environmental issues and the ways to address them.

**Community Engagement:** Our commitment to sustainability extends beyond campus boundaries. Through community engagement initiatives, we work with local residents to raise awareness about environmental conservation. Clean-up drives, tree planting initiatives, and collaborative projects strengthen our ties with the community while actively contributing to a healthier environment.

**Innovation and Research:** Innovation is at the core of our sustainability efforts. Our students and faculty engage in research projects that explore novel solutions for environmental challenges. From waste management techniques to sustainable agriculture practices, our institution contributes to the growing body of knowledge in sustainable development.

In conclusion, Bhonsala Military College stands as a beacon of environmental consciousness and sustainability. Our holistic approach encompasses infrastructure, education, community engagement, and innovation. Through these collective efforts, we not only strive for a greener campus but also aim to inspire a generation of leaders who are deeply committed to safeguarding our planet for future generations.
