IT Facilities in College

Institution frequently updates its IT facilities including Wi-Fi There are different digital technological facilities available in the college. There are 11- smart classrooms and 01-digitally equipped Seminar hall and 08- digitally equipped laboratories. The up gradation work of Mathematics Laboratory is underway. A well equipped computer lab is also functioning in the college. The students of the college have access to the computer lab. College building is facilitated with the Wi-Fi connectivity. The Network Resource Center (NRC) has 20 computers for students where students access internet for their academic purpose. All the departments of the college are provided with computer and related accessories. All teaching staff members use the ICT in the classrooms and laboratories, whenever needed. Most of the official work is being done with the help of ICT. The college regularly maintains the IT facilities. Computers are formatted on regular basis. CCTV is installed in the college premises including passages, laboratories, library, staff room etc.
